RE: Scope determination on antidumping duty order on circular welded carbon-quality steel pipe from the People's Republic of China (A-570-910).

1. On 04/04/2017, in response to a request by Acme Manufacturing Company (Acme), Commerce issued a final scope determination that short round tubes which Acme imports are within the scope of the antidumping duty order on circular welded carbon-quality steel pipe from the People's Republic of China (A-570-910).
2. Because the imported product meets the scope description, Commerce found this product to be within the scope of the order.
3. Continue to suspend liquidation of entries of circular welded carbon-quality steel pipe from the People's Republic of China, including the short round tubes imported by Acme described above, subject to the antidumping duty order on circular welded carbon-quality steel pipe from the People's Republic of China.
4. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce at (202) 482-0984. CBP ports should submit their inquiries through authorized CBP channels only. (This message was generated by OII:RMJ.)
5. There are no restrictions on the release of this information.
